

İslam Nimeti

TESPİT 1

Din en büyük DİSİPLİNDİR. İSLAM insanlığa en büyük Disiplini getirmiştir.

The Grant of Islam

CERTAINTY 1

Religion provides the best discipline. Islam came to bring the greatest of all disciplines to humanity.

Religion Is Discipline

CERTAINTY 2

Religion is discipline. Man without discipline is nothing more than an animal. A man only becomes a man through discipline. A

horse is not able to discipline itself. Man with the help of religion becomes disciplined. Otherwise he has the worst and wildest character. Listen and think.

The World Has Entered Its Worst Era

CERTAINTY 3

The year 2011 AD: The whole world is like a car whose steering wheel is broken. It has entered an era in which all direction has been

lost. What is the reason for this? Nobody even asks. Just as people pouring from a sinking ship are overcome by their own predicament, in the same way every hu-

Dünyanın Kötü Devri

TESPİT 3

Dünya en kötü devrine girdi 2011. Miladi sene

Bütün dünya dingili kopmuş araba gibi ne tarafta gideceği bilinmeyen bir konuma girmiştir. Sebebi nedir? Arayan yok ki!

Batan vapurdan denize dökülen insanlar nasıl kendi derdine düşmüşse şimdi de aynı tertip üzerine her insan topluluğu ve her millet de kendi derdine düşmüş. Ancak derdine derman bulamıyor.

DERMAN ancak Dini Disiplindedir.

Demokrasi İnsanlığı Tüketmiş!

Yukardaki resimler Demokrasinin getirdiği pis hayatın binlerce görüntülerinden sadece birkaçıdır.

İnsanoğlunun başına Demokrasinin getirdiği yüzlerce belanın, en belası her memlekette seçim belasıdır, milletleri kendi içlerinde can düşmanı yapan şeytan dolabı Demokrasidir.

Demokrasi – ki manası deliler ve azgınlar saltanatı demek, bugün dünyada devamı 3.S...

The Lost Love & Respect

Democracy Has Ruined Humanity.

The pictures above are only a few of the thousands of scenes showing the dirty life democracy has bought.

The worst of the hundreds of evils democracy has dropped on the heads of mankind is the evil of elections in each country. Democracy, the closet of Shaytan, makes people divide into parties among themselves and become the worst of enemies to each other.

Ordu MUTLAKİYET Tarafı

Tespit, Bilgi ve Bulgu
ORDU MUTLAKİ-
YET Tarafı, Demok-
rasiye zorlanan ise zaval-
lı millet! Niçin?

Çünkü Ordular kuvveti
ve iktidarı daima ellerin-
de tutmak isterler.

-Böyle olunca da asker
sivilin eline kat'iyen
teslim olmazlar.

-Aslında hiçbir memle-
kette asker 2.sınıf olmak

istememez onlar hiçbir za-
man sivillere evet efen-
dim de demezler lakin
sivillerin en yüksek ma-
kamında duran kimse
askere evet komutanım!
Siz nasıl görüyorsanız
öyle olsun demeye mec-
burdur.

Çünkü paşa bir Cip gön-
derip Cumhurreisini is-
tесе ve aldırса bunu dur-
duracak sivil kuvvet yok-

tur. Çünkü bir memle-
kette kuvvet sivil hükü-
mette değil askeredir.
Ve asker kat'iyen sivil-
lerin emirlerini ne sa-
yar ve ne de tutar. Mille-
ti Demokrasi uydurma-
sıyla aldatan ve oyalaya-
nalar askeri gücün em-
rindedirler. İsbatı: Cum-
huriyet devrinde isteme-
diklerini devirenler hep
askerler olmuştur.

The army Is For ABSOLUTE Power.

Certainty, Informa-
tion & Diagnosis
The army is only inter-
ested in Absolute Power.
Poor is the nation that is
forced to accept democ-
racy. Why? Because the
army always wants to
keep the power and po-
tential in its own hands.
This means that the mil-
itary will never hand it
over to civilians. In fact,
in no country, has the
army agreed to take sec-

ond place. They never at
any time say 'yes sir' and
bow to civilians. How-
ever, the civilian in the
highest position is the
one who says to the mili-
tary - 'yes captain, have
it your way.' They are
forced to obey. The mili-
tary Pasha can send one
Jeep and take the Presi-
dent and no civilian can
stop him. In a State the
power is not with the ci-
vilian government but

with the army. The army
will never, ever, either
respect or obey civil-
ian orders. The ones in
control of the military
power, they are the ones
who are deceiving and
distracting the nation
with fabrications of de-
mocracy. The proof: in
the Republican phase it
was always the military
who were responsible
for overturning what it
didn't like.

Asker Demokratik Mi?

NİÇİN ASKER ken-
di bünyesinde seç-
me ve seçilme yolu olan?
DEMOKRASI'yi kullan-
mıyor? Kullanmayı bı-
rak sözünü bile ettirmiy-
yor?! Ey ahmak insanlar
bir defa bunu sorunuz
ve Demokrasinin ordu-
dan neden kovulduđu-
nu anlayınız. Çünkü De-
mokrasi işe yarar olsa idi

onu ilk ordu kabul ede-
cekti. Halbuki TC dev-
letini kuranlar ilk olarak
Demokrasiden
ayırdılar ve mutlakiye-
ti kurdular. Çünkü Paşa-
lar Demokrasinin ordu-
nun bünyesini bozacağı
ve emir ve kumanda sis-
temini ve ordunun hey-
betini bozacağını peki-
yi biliyorlardı. Lakin De-

mokrasi hakkındaki dü-
şünceleri başka idi As-
kere göre sivil hükümet
daima zayıf ve mahküm
olmalıydı. Çünkü sivil
hükümet kuvvetlendiril-
memeliydi.

Öyle ki orduya hükmet-
mesin ve askerin her işe
hükmetmesi kolay ve is-
tediği olsun prensipi de-
vam edebilsin.

Democracy,
which means
the sultanate
of the mad

left no peace

Is The Army Democratic?!

Why the army nev-
er uses the ways
of democracy, neither
selections nor elections.
Forget using it, they
don't even mention it. O
foolish People, ask this
question once and un-
derstand why democ-
racy is rejected by the
army. If democracy were
really of any use the first
to make use of it would
be the army. Therefore

the first thing the found-
ers of the Turkish Re-
public did was to sepa-
rate the army from the
democratic system and
give it absolute pow-
er. The Pashas knew
very well that democ-
racy would destroy the
foundation of the army,
spoiling the system of
command and authority
and, in the end, spoiling
its ability to inspire fear.

The ideas about democ-
racy were different. Ac-
cording to the military,
the civilian government
has to be kept weak and
under control.

The civil govern-
ment should never be
strengthened. As a result
the civil government can
never control the army
but the army can control
everything easily and
have its way.
